

The DSAC Medical Management of Sexual Assault Sixth Edition 2006

Name:

Address:

.....

Tel: **Fax:**

Email:

Section A contains practical guidelines for the forensic examination and medical care of adult victims of sexual assault. For ease of use, references have been kept to a minimum. Forms and templates that can be used in your clinical situation are marked with a printer icon 

Section B contains guidelines for children and adolescents.

Section C contains important reference material.
